# GREVILLE PABST

## WBP GROUP EXECUTIVE CHAIRMAN

FAPI, FRICS, LICENSED ESTATE AGENT (CEA)

Greville Pabst is one of Australia's leading property commentators and a passionate advocate for the role property plays in creating personal wealth.

Spanning three decades, Greville's career is characterised by entrepreneurial drive and innovative vision. Throughout his extensive career Greville has witnessed the often costly mistakes people make when buying and selling property, and he passionately believes in seeking professional advice when it comes to property. This passion fuelled the co-creation of PropertyDuo, the strategic advice arm of WBP Group committed to providing independent property advisory solutions. This advice supports Australians, from the first home buyer to the avid investor, to make smart, evidence-based property decisions that help them achieve their financial and lifestyle goals.

In addition to practising as a buyer's agent and property advisor, Greville is Executive Chairman of WBP Group. He maintains certified practising valuer status and holds fellowships with the Australian Property Institute and the Royal Institute of Chartered Surveyors. He is a fully licensed Real Estate Agent, former Chairman of the Australian Property Institute Membership Admissions Committee, former Vice President of the MFAA Victorian Council and fellow member of the MFAA. Greville is recognised by the Australian Property Institute as a Specialist Determining Valuer for Dispute Resolution in Rental Disputes and is a member of the Property Council of Australia.
